How to register in Neptun for a subject

Registration for subjects is only possible

after you have registered for the semester as "Active".

Step 1. Log in to the Neptun system (http://hallgato.neptun.elte.hu/). Click on the menu "Subjects", "Register for subject".

Education Admin.	Neptu	n Meet Stree	t				
My data Studies	Subjects	Exams	Finances	Information	Administratio		
O Topicalities	Register Taken co	ed subjects ourses		ect			
Neptun mobile Try the free Neptun app Android, Windows or iOS	Register Tasks Offered	for subject grades		s: 2016/17/1, Su	bject type: Subjec		
smartphone.		* Terms:		d only:	2016/17/1		
Co Mossages	00	Subject	type:		OSubjects from o All subjects		
 Inbox (99) 		 Subject Subject 	name: code:				
Sent messages	Sent messages			Course lecturer:			
Settings		& Course	code:				

Step 2. Select the corresponding term and select "angol" ("English") for the language. Click on "List subjects". (You may try other filtering options too, such as "Subject name".)

Filters Terms: 2016/17/1	, Subject type: Subjects from currie	culum, Curriculums: All, Subjec	t group: All, Language: angol
Subjects currently offered only:		<i>.</i>	
Terms:	2016/17/1	0	
Subject type:	Subjects from curriculum	Curriculums:	AI
		Subject group:	All
Subject name:		Language:	angol
Subject code:		Period start:	🗍 Monday
Course lecturer:		Period end:	Monday

Step 3. To find the subjects you need from the list of available subjects, navigate the pages by clicking on the numbers in the upper right corner. (You may also set the "Page size".) The subjects that you have already completed will be displayed with a green tick. Now, find the subject you want to register for and click on "Register".
